**Ocala Community Credit Union
Announces Promotion**

Ocala, FL – 10-06-2021 Ocala Community Credit Union is pleased to announce the installation of our newest 24hr Smart ATM.

This new 24hr Smart ATM is in the first Drive-Thru Lane of our Marion Oaks Branch. This replaces our old walk-up NCR ATM that was nearing end of life for compliance and parts reasons. This Nautilus Hyosung Smart ATM takes both cash and checks for deposit for our members. In addition, the user can select language between “English” and “Spanish”. The user can push one of the three buttons on the front that will lift the touch screen from CAR level, to SUV level, to TRUCK level so they never have to reach or open door. When members deposit cash, checks or both in same transaction, they can view their checks right on the receipt. Yes, account numbers are truncated, and the micro lines are removed on receipts for security of our members. Another improvement this gives to our Marion Oaks Community is that it dispenses either \$20’s, \$10’s, or any combination of both.

This is in addition to the new ATM placed in the Ocala International Airport earlier this year. Ocala Community Credit Union is supporting its communities.

Its OCCU wherever you go!
