**Ocala Community Credit Union
Announces Contactless & Recycled Plastic Cards**

Ocala, FL – 05-21-2021 Ocala Community Credit Union is pleased to announce we now offer our members Contactless & Recycled Plastic Cards. Members will receive their new Contactless-~~& Recycled Plastic~~ Debit Cards as their old cards renew. Any member wanting to renew early can pay a small fee to do so. Unfortunately, with these new cards, we lose the benefit of “MyPic Studios” from SHAZAM where members could place any picture on their cards in one of three different sizes.

Ocala Community Credit Union begun working with SHAZAM on this project back in 2019. One of the delays was our decision to switch over to CPI as we wanted faster processing service and ~~recycled plastic debit cards~~ that our former vendor could not provide. Ocala Community Credit Union continues to be a leader in our industry for the communities we serve.

Its OCCU wherever you go!
