**Ocala Community Credit Union
Offers Members Cold Wallet Storage**

Ocala, FL – 02-17-2022 Ocala Community Credit Union is pleased to announce the offering of COLD WALLET Storage for its members. OCCU leads the way in being creative and staying in tune with today’s technology.

Digital Currency Storage
Bring in your
Cold Wallets

Cold wallets are not connected to the internet and are also known as offline or hardware wallets. These wallets store a user’s address and private key on something that is not connected to the internet, such as a USB drive device, and therefore stands a far less risk of being compromised than those connected to the internet. However, they do not offer the accessibility and convenience of a hot wallet.

Ocala Community Credit Union is pleased to serve our communities within Marion County, Florida.

Its OCCU wherever you go!
