Dear OCCU Members,

Your Board of Directors have approved a new service/option within It'sMe247 Online Banking and OcalaCCU App. For those receiving ACH Files - you see them pending up to 2 days waiting to post. Now, you will have the option to Post these up to 2 days early yourselves for a \$10.00 fee. No OCCU Staff will be able to do this for you, therefore this \$10.00 fee is NON-REFUNDABLE. In addition, you will have to check your account through It'sMe247 Online Banking or OcalaCCU App each time you are expecting an ACH Deposit and chose this \$10.00 option each time if you so desire. Again, this is just a new option if you are in a hurry to receive your money. This service/option goes into effect July 1, 2022.

\$10.00 Non-Refundable Fee if you post early.
