**Ocala Community Credit Union
Completes Remodel of Main Office**

Ocala, FL – 10-17-2024 Ocala Community Credit Union is pleased to announce the completion of both phases of our Main Office Remodel.

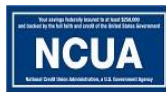

Phase I consisted of removing the west teller island and building a secure/bullet proof teller station for the safety of our staff.

Phase II consisted of removing the east teller island, and corner workstation, to building an office for future growth.

Timing of completing the new teller station was perfect as we moved the staff from the closed Marion Oaks Branch over to our main office for retention. This gives us more tellers to serve our members as we pride ourselves on little to no waiting in both lobby and drive-thru. In addition, we placed more cameras for added security. Thanks goes out to Genesis Construction, Seibold Security, and VisionTek for making this all come together.

It's OCCU wherever you go!
